**Title** Xaringan Template With Government Digital Services Theme

**Version** 0.0.0.9000

**Description** A template and CSS files for reproducing the presentation style of Government Digital Services (GDS), part of the UK Government's Cabinet Office, in {xaringan}. GDS's templates are available internally as Google Slides only. This package lets you achieve that style while also being able to take advantage of RMarkdown. This package is not affiliated with GDS.
